

## DBMS GUI FOR FINAL PROJECT SCREENSHOTS

### 1. HOME PAGE

The screenshot shows the home page of a DBMS GUI. At the top left is the Premier League logo. To its right is a breadcrumb trail: "Tottenham - Arsenal - Aston Villa - Manchester United - Liverpool - Chelsea - Tottenham -". Below this, the text "Players In :" is followed by a dropdown menu showing "Manchester City" and a "Check!!" button. Further down, the section "Update Score Using Match ID and Player ID" contains two input fields labeled "Match ID" and "Player ID", and a "Submit Goal" button. Below that, the section "Update Player Team" has an input field labeled "PLAYER NAME" and a dropdown menu showing "Manchester City", followed by an "Update" button.

### 2. WHEN USER CHOOSES A TEAM FROM DROPDOWN UNDER PLAYERS IN: OPENS NEW PAGE TO DISPLAY TABLE

The screenshot shows the same DBMS GUI as before, but the breadcrumb trail now reads "United - Liverpool - Chelsea - Tottenham -". The "Players In :" dropdown menu still shows "Manchester City". Below the form, a table is displayed with the following data:
